

International Mobility Support

(for CIMI members)

CIMI can provide international mobility support to CIMI members going abroad for a minimum of two months as part of a scientific project/collaboration.

Depending on the host country, CIMI may offer financial support up to 30,000 € for one year (conditions apply, and subject to receipts) to help with the cost of the international mobility. The visit should be at least two months (several stays and destinations can be considered). This funding is open to any member of CIMI : PhD students, researchers, faculty staff.

A scientific report will be asked to the applicants.

Every publication related to the project will include the following acknowledgement:

*This work was supported by the ANR LabEx CIMI (grant ANR-11-LABX-0040)
within the French State Programme "Investissements d'Avenir".*

Requested Information

Project Title & Applicant

Part I. Brief summary of the project or collaboration (about 10 lines)

Part II. General information

- Applicant (name, email, institution, situation)
- Period of time, location and duration of the stay abroad
- Financial support information, previsual budget

Must include additional sources of funding, if any.

Phd Students have to justify of a co-funding of the visit by their Doctoral School or lab/team.

Part III. Full description of the project

Scientific description of the collaboration to be developed during the mobility (about 2 pages).

Part IV. How is the project in line with CIMI goals

- Interactions between mathematics and computer science if any
- Expected outcomes and international impact for the community

Part V. Attached supporting documents
